IMC2022 UPDATES

It's Time to Submit your Focus Session - 2+ weeks left

#IMC2022 reached the first important phase - the "Submission of Focus Sessions". Details about the session format are available >> [here](#) <<. For submitting a session proposal please use >> [LINK](#) <<. We are of course very thankful if you could consider to submit a session with your partners and share this opportunity within your institutions and communities (e.g. mailinglists, social media etc.) :-)

S4SSS sessions and workshops online

In the past weeks, the core team of the S4SSS gradually increased towards a powerful, interdisciplinary team. Many sessions and workshops proposed by the time were already finalized and published. ALL UPDATES can be found on our website: [imc2022.info/summerschool](https://www.imc2022.info/summerschool). General information on the particular format are available >> [here](#) <<

Updates Keynotes and Special events

We are thankful to 5 keynote speakers who already confirmed their contributions to IMC2022. Details on 4 speeches are already available: <https://www.imc2022.info/keynotes/>. We are also very glad that a prominent plenary session on "Experiences From The IPCC Sixth Assessment" is already confirmed. Key information are already available >> [here](#) <<, further details will be added within the next weeks.

FEEDBACK APPRECIATED

You found some mistakes? Have some improvements for us? Something is unclear?
Please send us your feedback!

Funny Facts

Communicating with locals!

There is not the one and only Tyrolean dialect but some words are commonly used and understood. We start here with a series of words you could use @IMC2022 :-)
