#IMC2022 Call for Abstracts

Another hot topic part of #IMC2022 focus sessions

COVID19 has heavily pushed a trend already emerged earlier in many mountain regions: An increase in human outdoor activities in more or less remote areas. Associated conflicts of interests and potential solutions require scientific efforts and we are thankful for [the additional session](#) which is waiting for your contributions.

Environ Me @ IMC

We are delighted to announce that [Manuel Delago](#), an outstanding artist, agreed to perform live in the frame of the #IMC2022 Icebreaker. His show "Environ Me" fits very well to the thematic frame of #IMC2022 and should generate good mood for our scientific exchange. >> [to the Eventpage](#) <<

Travel Grants ready to apply for PhD Students

PhD Students from [lower-middle](#) and [low](#) incoming countries that plan to join both [IMC2022](#) and [S4SSS](#) are kindly invited to (1) submit research abstracts to #IMC2022 and #S4SSS sessions/workshops and (2) to fill your [travel grant application form](#).

FEEDBACK APPRECIATED

You found some mistakes? Have some improvements for us? Something is unclear? Please send us your feedback!
